Problem Statement for DCCP

Sally Floyd, Mark Handley, Eddie Kohler

August 2005

IETF

History of Problem Statement:

- Working Group Last Call in 2002, then draft frozen.
- Since last IETF: minor editing for clarity, then WGLC again.
- Eddie make some revisions clarifying the role as a historical document, including an update that mobility wasn't included in DCCP.
- Feedback from John Loughney, mostly editorial, changes being added by Eddie.
